

Playground Safety For Kids!

# Safety Tips

## Supervision

### Things to Remember!

1. Adults should always be at the playground when you play.

2. Know and obey the playground rules.

3. There should be no places where children can hide.

4. Treat others with respect!

# Test your Knowledge!

1. Is there an adult on the playground?

2. Can all the children be seen?

3. Are there places where children can hide?

4. Are there places where children can hide?

5. Can children find places to hide in this piece of equipment?
